Observe.

If a Work extends to more than One Volume, the same has been notified in this Catalogue; all others are presumed to be completed in One Vol.

When Books have been found to be damaged, torn, requiring re-binding or to be repaired, — or parts of, or whole Vols. missing, the same have been underscored, for more particular observation. Those ^{not} marked in that manner are in a fair way of preservation, — taking into consideration the antiquity of the Vols.

The Editions, when printed in the Title Pages, are also stated in this Catalogue, throughout. Where no Editions are named, the Compiler presumes they are the First.
